FORUM

At 7:30 pm, due to the departure of two Commissioners, a quorum for taking action was lost. However, the discussion of the parking lottery continued for approximately another 30 minutes, with Commissioners and members of the public recognized to ask questions and make comments.

Commissioner Roth was then recognized to discuss the issue of two new valet parking zones and accompanying “no parking” signs having been erected on the northbound side of 18th Street in the 2400 block without ANC or other community input. Commissioner Roth asked community members present to comment on what position or action the ANC should take with regard to the valet services and the lack of community consultation. A discussion ensued for approximately 30 minutes.

Thereafter, members of the public and Commission were recognized for comments and discussion of various subjects of interest to them.

The meeting ended at approximately 9:00 p.m. (No vote on adjournment was taken due to the absence of a quorum.)
