Dear Chair Anderson:

At a duly-noticed public meeting held on 1/8/2020, with a quorum present, Advisory Neighborhood Commission 1C passed the attached resolution protesting the application for the above-referenced new CT license, by a vote of 4-0-2.

Amir Irani
Chair, ANC 1C

ANC 1C Protest of ABC Licensee

ANC 1C protests the application of MAHK Meetings, LLC, for a new license on the basis that it would have an adverse impact on the peace, order and quiet of the neighborhood and on the basis of excessive concentration of licensees, contrary to the Adams Morgan Moratorium Zone (AMMZ). Furthermore, ANC 1C authorizes any Commissioner to act on behalf of the Commission in proceedings on this protest.
