Re: Request for Pedestrian and Traffic Signage and Light Timing

Dear Mr. Bellamy:

I am writing to forward a number of requests from ANC 1C concerning traffic issues in Adams Morgan. At its March 11, 2013 meeting, with a quorum present, ANC 1C approved a motion to send a letter to DDOT requesting (i) additional pedestrian signage at the crosswalks where Belmont Road, Champlain Street, Ontario Road, and 17th Street intersect with Columbia Road, (ii) better signage or flashing lights identifying the drop-off / pick-up zone for students at Marie Reed Elementary School, and (iii) improved timing for the lights where Ontario Road intersects with Columbia Road and for where Fuller Street intersects with 16th Street.

As Chair of the Planning, Zoning and Transportation Committee of ANC 1C, I would welcome a representative from your office to attend the April meeting of the Committee to discuss these issues. We will meet on April 17th.

Best Regards,

Jimmy Rock
