RE: Ward 1 Enhanced Residential Parking Program (ERPP) Law

Ward 1 ANC Chair:

Please accept this correspondence as formal notification that pursuant to *the Residential Parking Protection Act of 2010* the District Department of Transportation (DDOT) will begin implementation of the Ward 1 Enhanced Residential Parking Program (ERPP) during the summer 2012.

Under the law, your ANC must vote by resolution to "opt out" of the program. If your Commission chooses not to participate in this program you must notify DDOT in writing no later than Tuesday, May 1, 2012 of your body's intention to "opt out." However, if the department does not receive formal written notice by that date then DDOT will begin implementing the law, installing Resident Only signs, and issuing visitor parking passes to all eligible households.

Please contact Damon Harvey (Damon.Harvey@dc.gov) if you have any questions or concerns regarding this program or the department's implementation timeline.

Sincerely,

Terry Bellamy
Director
