### Board of Zoning Adjustment members:

At a duly-noticed public meeting held on Wednesday, February 7, 2018, with a quorum present, Advisory Neighborhood Commission 1C passed the following resolution involving the PEPCO Substation in Adams Morgan:

*“ANC 1C does not object to the requested zoning relief for the Champlain Street PEPCO Substation. Furthermore, ANC 1C does request the District Department of Energy and the Environment to conduct and publish an Environmental Impact Statement for the subject substation.”*
