Historic Preservation Review Board:

At a duly-noticed public meeting held on Wednesday, May 2, 2018, with a quorum present, Advisory Neighborhood Commission 1C passed the following resolution by a vote of 6-0-0:

ANC1C supports the proposal for 1963 Biltmore Street NW, as presented on Wednesday, May 2, 2018. However, ANC1C has substantial concerns that the entranceway, previously modified, is not being returned to its historically uncompromised context. ANC1C is further concerned that the Historic Preservation Office has not addressed this issue.

Sincerely,

Hector Huevo, Esq.
Chair, ANC 1C
