RE: ANC1C Resolution Regarding Rock 'n' Roll D.C. Marathon

Amanda Fox Perry (1C08)

Rock 'n' Roll D.C. Marathon:

At a duly-noticed public meeting held on Wednesday, December 5, 2018, with a quorum present, Advisory Neighborhood Commission 1C (ANC1C) passed the following resolution regarding the 2019 Rock 'n' Roll D.C. Marathon and Half Marathon by a vote of 5-0-0:

"ANC1C supports the March 9, 2019 running of the Rock N Roll D.C. Marathon transiting through Adams Morgan, provided that the specific condition that the Metropolitan Police Department's request to move vehicles on that portion of the race course be reversed. ANC1C does not support moving, towing, or ticketing vehicles parked in the path of the race."

Sincerely,

Hector Huevo, Esq.
Chair, ANC 1C
