RE: HPA 21-101; 2412 18th Street NW (rear)

Dear Chair Heath:

At a duly-noticed public meeting held on 1/6/2021, with a quorum present, Advisory Neighborhood Commission 1C voted 8-0-0 authorizing a letter of support, written by the Chair, for the referenced application.

ANC 1C finds the concept referenced in the application to be compatible with the property and historic district. Furthermore, ANC 1C recommends that the Historic Preservation Review Board approve the concept on the basis that it is compatible with the property and historic district.

Warm regards,

Amir Irani
Chairperson, ANC 1C
